

Kolyu Ficheto

„I build bridges to bring man to man... and monasteries to bring him to God.“

Story

Nikola Ivanov Fichev, known as Kolyu Ficheto, was a Bulgarian builder, architect and wood carver. During his life, he built over 10 churches and 4 bridges. Some of his most emblematic works are the Belenski bridge over Yantra river, the Covered bridge in Lovech, The House with the Monkey and the church of Saint Nikola in Dryanovo.

Ability

intrapersonal: Increase one of your intelligences (corresponding to one of the mentors' unlocked intelligences) by 1 until the end of the turn, during which it was used. Once per round. 4

musical: If any of the mentors' unlocked intelligences correspond to any of the intelligences of the challenged dragon, take 2 extra CP. Once per turn until the end of round. 6

spatial-visual: Orientation: You can choose from "Universe", instead of throwing the die. You can do that any number of times, but only for 1 player per turn. 8

Todor Kolev

"If you think to yourself, "Oh my God, it's a shame it's over," then you've done something."

Story

Todor Kolev was a leading Bulgarian film and stage actor, singer, comedian and TV presenter. Began his career in 1965, Kolev was best known for his roles in comedies like „Opasen Char", „Gospodin Za Edin Den" and „Dvoynikat" as well as for his songs („False Hero") and shows. With his remarkable acting on the stage and in the movies, he was amongst the most loved Bulgarian actors for all the time.

Ability

bodily-kinaesthetic: Increase one of your intelligences (corresponding to one of the mentors' unlocked intelligences) by 1 until the end of the turn, during which it was used. Once per round. 4

linguistic: If any of the mentors' unlocked intelligences correspond to any of the intelligences of the challenged dragon, take 2 extra CP. Once per turn until the end of round. 6

interpersonal: Experience: When another player increases intelligence, you can solve a task from the same intelligence on a level chosen by you. Once per round. 8

Georgi Kolev

"The child is not a little adult, but a different universe, in which we, the adults, are only guests."

Story

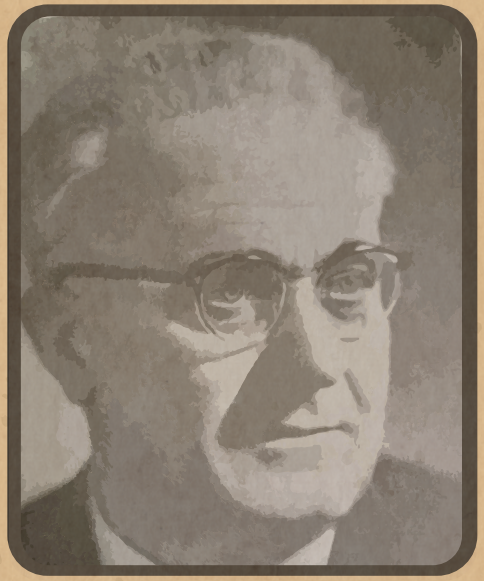

Georgi Kolev was a psychologist, teacher and mountain guide. He devoted much of his career to working with young people, engaging them in various outdoor activities such as climbing and cave exploration, while encouraging their personal growth and development. He is an inspiration to those around him, a teacher who gave his students the wings to thrive. His life was devoted to mentoring and developing the youngsters.

Ability

naturalistic: Increase one of your intelligences (corresponding to one of the mentors' unlocked intelligences) by 1 until the end of the turn, during which it was used. Once per round. 4

spatial-visual: If any of the mentors' unlocked intelligences correspond to any of the intelligences of the challenged dragon, take 2 extra CP. Once per turn until the end of round. 6

intrapersonal: Meditation: You can increase one intelligence on anyone's Character sheet by 1 - permanently; including your own. Once per round. 8

Filip Kutev

"The folklore is such a simple thing, but it takes a great comprehension to be understood."

Story

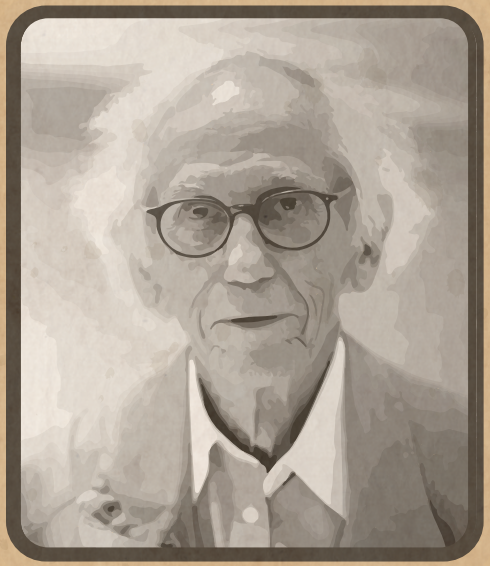

Filip Kutev was a Bulgarian composer and folklorist. He was the founder of the Bulgarian folk ensemble „Filip Kutev". In his work, Filip created a unique synthesis between Bulgarian folk music and classical music. He composed some world-famous Bulgarian songs such as „Polegnala e Todora" and „Lale li si, zyumbyul li si".

Ability

spatial-visual: Increase one of your intelligences (corresponding to one of the mentors' unlocked intelligences) by 1 until the end of the turn, during which it was used. Once per round. 4

bodily-kinaesthetic: If any of the mentors' unlocked intelligences correspond to any of the intelligences of the challenged dragon, take 2 extra CP. Once per turn until the end of round. 6

musical: **Karaoke:** When you do the action **"Increase intelligence"** you can say a name of a song. The player who sings the song first can get the same reward. 8

Christo

"The work of Art is a scream of freedom."

Story

Christo Vladimirov Javacheff was a world-known contemporary Bulgarian artist and environmental sculptor known for wrapping famous structures, such as the Pont Neuf in Paris and the Reichstag in Berlin, in fabric and plastic. With his art, he wanted to challenge people's imaginations, showing new ways to see the familiar things.

Ability

logical-mathematical: Increase one of your intelligences (corresponding to one of the mentors' unlocked intelligences) by 1 until the end of the turn, during which it was used. Once per round. 4

intrapersonal: If any of the mentors' unlocked intelligences correspond to any of the intelligences of the challenged dragon, take 2 extra CP. Once per turn until the end of round. 6

naturalistic: Stamina: If you are helping another player to challenge a dragon, one of you can challenge the dragon again, but alone. Once per round. 8

John Atanasov

"The greatest courage a man can show is not in outer space, but in thought."

Story

John Atanasoff is an American physicist and mathematician with Bulgarian origin. Working together with his graduate student Clifford Berry, he developed the Atanasoff-Berry Computer (ABC) in 1942, a machine capable of solving differential equations using binary arithmetic and one of the first electronic digital computers. Named after Atanasoff is The John Atanasoff Award, which is presented every year by the President of the Republic of Bulgaria for personal achievements of young Bulgarian researchers working in the fields of informatics and information technologies.

Ability

linguistic: Increase one of your intelligences (corresponding to one of the mentors' unlocked intelligences) by 1 until the end of the turn, during which it was used. Once per round. 4

naturalistic: If any of the mentors' unlocked intelligences correspond to any of the intelligences of the challenged dragon, take 2 extra CP. Once per turn until the end of round. 6

logical-mathematical: Cloning: Use a mentor's ability of level 1 or level 2 an extra time. Once per round. 8

Dan Kolov

"I feel strong, because I'm Bulgarian."

Story
